Be appreciated.

Last year we held a job fair and a volunteer day at the same time in

April, it was decided to skip that this year because of poor participation.

On or about May 21st, we will sponsor a bike swap at the Rec center.

This event was a success last year with 24 bikes donated, 10 were

swapped and 14 went to Cast.

In July- We would like to sponsor a “night at the ballgame” with the North Fork Ospreys. The Youth Bureau supplies popcorn and greetings to all the fans. Works out well and gets our name out there.

In August- Family movie night in the park. Last year it was very successful with over 100 people attending.
