

PROGRAM CANCELLATION DUE TO INCLEMENT WEATHER

In the event of inclement weather over the winter months, please call the recreation department at 765-5182 on the day of the program or class. Recreation department staff will notify you of any cancellations or there will be a recorded message informing you of the activities that are canceled. Additionally, program cancellations will be announced on WLNG Radio, 92.1 FM.

We will make every effort to reschedule the canceled program; however, at times this may not be possible due to the availability of our instructors and the facility where the program is held.
