

# TOWN OF SOUTHOLD OEM ARE YOU PREPARED GUIDE

\*\*\* 2016 \*\*\*

The mission of Southold's *Office of Emergency Management* is to help prevent, prepare, respond to, restore services, recover from and mitigate the effects of any natural or man-made disaster impacting our Town. Our team's responsibility include identifying activities and strategies that aid in the effort to elevate the general level of awareness pertaining to emergency preparedness. These strategies also include public education and training, recruiting, mobilizing and coordinating volunteers in an effort to support emergency preparedness. Our overall goal is your safety.

- Greenport School**  
720 Front St, Greenport
- Fishers Island School**  
Greenwood St., FI

### SECONDARY GENERAL POPULATION

(The Southold OEM will open the secondary shelters if the magnitude of the event and or intensity of the storm require it. Notifications will be on the town website and local media.)

- Southold School**  
420 Oaklawn Av, Southold
- Mattituck High School**  
15125 Main Rd, Mattituck

### SPECIAL NEEDS - NON MEDICAL

- Human Resource Center**  
750 Pacific St, Mattituck

### SPECIAL NEEDS INDIVIDUALS

Are those individuals that need assistance during an evacuation and cannot manage safely in a general population shelter due to medical, physical or other limitations. Pre-registration is recommended and depending on their needs will be informed on the type of shelter they qualify for. Contact the Southold HRC at 631-298-4460 for registration information for **non-medical** special needs or Suffolk County at 631-853-4900 to enroll in their **medical** special needs program (**Joint Emergency Evacuation Program**).

## DISASTER PLANNING

**D**isasters whether they are natural or manmade can be dangerous. They include forces that can generate high winds, torrential rain, tornadoes and flooding all of which can cause death, injury and costly property damage. Therefore, preparation is very important.

The Atlantic hurricane season runs for six months, from June 1 through November 30. Prepare now, learn what to do before a hurricane strikes, how to stay safe during the event, and where to find help when you need it.

- Have a disaster plan for you and your family. Keep your friends and family informed of your whereabouts and condition during a disaster.
- Know the hurricane risks in your area – learn the storm surge history and elevation of your area.
- Learn about local sheltering plans, including the location of official shelters and how to get to the shelters.
- Know how and when to turn off water, gas and electricity in your home.
- Have an emergency supply kit ready for use and keep its contents updated regularly.
- Obtain and store materials, such as plywood, necessary to properly secure your home.
- Clear loose and clogged rain gutters and downspouts.
- Keep trees and shrubbery trimmed of dead wood.
- Review your insurance policy.
- Determine where to move your boat in an emergency.
- Make plans now on what to do with your pets should you be required to evacuate your residence.
- Individuals with special needs or others requiring more information should contact the Town's Emergency Management Office.

The Town's OEM will communicate evacuation orders and instructions through the local media, the Town's website and by our local Police and Fire Departments going door to door. Evacuees should plan their mode of transportation to the shelters.

## EMERGENCY SUPPLY KIT

- One gallon of water per person per day for at least three to seven days
- At least a three to seven day supply of non-perishable food
- Battery-powered or hand crank radio
- Flashlight and extra batteries
- First aid kit and a seven day supply of medications.
- Whistle to signal for help
- Extra blankets and clothing may be required to keep warm. Sturdy shoes protect feet from broken glass and debris.
- Moist towelettes, garbage bags and plastic ties for personal sanitation
- Manual can opener for food
- Alternate cooking source.
- Special items for infant, elderly, or disabled family members.
- Take a basic first-aid and CPR courses. Keep your skills current.
- Cell phone with chargers, inverter or solar charger
- Important documents should be stored in a waterproof container.
- The Town's shelters do not provide food or any sort of emergency provisions.
