

SATURDAY, MAY 13

BIKE SWAP & BIKE SAFETY DAY

Sponsored By Southold Town Youth Bureau

Do you have a bicycle collecting dust in the garage? Have your children outgrown their bikes? Bring your gently used bikes to the Bike Swap and Bike Safety Day, hosted by the Southold Town Youth Bureau, and trade up to a bigger bike or donate a gentle used one to CAST.

Even if you don't have a bike to swap, come on down with your own bike (and helmet) to brush up on bike safety skills and get your wheels a safety inspection so you are ready for riding season. The Southold Town Police Department will set-up a bike rodeo course and Country Time Cycle will have a technician on site to do safety checks.

SATURDAY, MAY 13

10 AM - 1 PM

SOUTHOLD TOWN RECREATION CENTER

For more information, contact Southold Town Youth Bureau Director Lynn Nyilas at 631-765-8521 or LynnN@southoldtownny.gov.
