INCLEMENT WEATHER CANCELLATION POLICY

The safety of program participants is a prime consideration when determining if programs should be cancelled over the winter months and the rest of the year if severe weather threatens. If a cancellation is necessary, the Recreation Department will make every effort to contact you directly, by email or phone, but it is not always possible to reach every participant personally. We strongly recommend that you check your email and voice mail/answering machine if you are concerned of a possibility that your class will be cancelled.

If you have not received a message, you should call the Recreation Department directly at 631-765-5182 and listen to the recorded message to inform you of cancellations, and monitor WLNG Radio Station at 92.1 FM for an announcement, or check the WLNG cancellation page at their website, www.wlng.com. As a general rule, if Southold Town officials have closed Southold Town Hall and satellite offices, then the Recreation Department Programs will be cancelled as well. The Recreation Department will make every effort to reschedule the cancelled program; however, at times this may not be possible due to the availability of our instructors and the facility where the program is held.

HATHA YOGA

with Rosemary Martilotta

Yoga is an ancient Eastern Indian system of balancing body, mind, and emotions. The goal of yoga is to have a peaceful, clear mind in a sound, healthy body. Hatha Yoga is the aspect of Yoga that approaches this goal through the physical side of the individual. The Yoga postures (asanas) work each part of the body to stretch and tone the muscles, increase fluidity in the joints, and promote flexibility of the entire skeletal system. By releasing physical and mental tension, energy is increased, health is maintained, and a sense of well-being is created. Please bring to class a yoga mat, a belt, 2 flat blankets, an empty stomach, and a smile.

Dr. Jeffrey Poplarski offers this 8-week Titleist Performance Golf Fitness Screening to enhance your golf game. This program will target golf swing analysis and golf body mechanics. The first class will consist of an evaluation of swing and body imbalances. The remainder of the program will address any faults that are noticed. Dr. Jeff does not believe there is one way to swing a club; he believes there are an infinite number of ways to swing a club. But he does believe that there is one efficient way for all golfers to swing a club and it is based on what you can do physically.

Dr. Jeff is the Wellness Director for the U.S. Open Golf Championships, Titleist Performance Golf Fitness Instructor, Medical Professional, Junior Coach, Golf Coach, and a “First Swing” golf instructor for the Eastern Amputee Golf Association.

For Your Winter Garden

FREE LEAF COMPOST

Prepare your soil for spring, before the ground freezes, with aged leaf compost from the Southold Town Compost Facility on Cox Lane.

Application now will add organic nutrients that will be stored in the soil until spring, when it will be available for immediate use by new or established plants and grass as soon as the weather turns. Also, soils prepared in this manner retain moisture better and reduce the need for chemical fertilizers which, as we now know, pose a threat to our ground and surface waters.

Southold Town residents are entitled to 500 lbs. per person per year FREE! Questions? Call the Solid Waste Department at 734-7685.

RECREATION DEPARTMENT POLICIES, TERMS AND CONDITIONS

REGISTRATION POLICY

Registrations are accepted on a first come, first served basis through three methods: remotely by the Online Recreation Portal, by mail with a check and properly completed registration form or in person at the Recreation Center with payment by cash, check or credit card and a properly completed registration form. Payment is required at time of registration. Early registrations will not be accepted. Program fees will not be pro-rated. A \$20 fee will be charged for any returned check. Participants are advised to have a complete physical prior to participating in activities that are strenuous. All participants take part in the Southold Town recreation programs at their own risk. The Town of Southold Recreation Department assumes no responsibility for injuries suffered or sustained from risks inherent in participating in department sponsored programs or while using recreation program facilities.

REFUND POLICY

Full refunds will be granted if a class or program is cancelled due to insufficient enrollment or is canceled by the Recreation Department and no cancellation fee will be assessed. Refunds will not be issued for trips, special events, or ticketed events unless your place can be filled by someone on a waiting list for said activity. In such an instance, a \$5 cancellation fee will be assessed.

A full refund will be issued if the registrant cancels their registration two or more weeks before a class or program, however, the \$5 cancellation fee will be assessed to the participant per class or program. No refunds will be issued if the request is made two weeks or less before the start of a class or program. No refunds will be granted after the class or program has started.

If your transaction was processed by credit card through the online registration portal, the service charge assessed will not be refunded, even if the program was cancelled.

Refunds that are requested as the result of a medical condition or injury that precludes the registrant from participating will be considered on a case by case basis and will require proof from a medical professional.

Any bounced checks will result in the Town charging a bounced check fee of \$20. All credit payments will be processed 1-2 business days after receiving a payment confirmation.

Credits to participate in future programs will not be issued for any reason. If you missed a class or full program, and would like to take a similar program in the future, you will be required to register and pay in full. Refunds will be issued approximately 4 weeks after the refund is authorized. Refunds on payments made by credit card will be credited back to the same credit card account used at the time of registration.

INCLEMENT WEATHER

In the event of inclement weather, program cancellations will be announced on WLNG Radio 92.1 FM, and posted on the Southold Town Website (www.southoldtownny.gov). If time permits, Recreation Department staff will attempt to notify you by email and/or phone message of any cancellations.
