

Long Island Sound Senior Care

Meeting the Needs of Greenport's Seniors

Family Service League (FSL), one of Suffolk County's most trusted providers, is excited to announce a new program for residents of Greenport over age 60. With funding from NY State Office for the Aging, along with the Town of Southold and Stony Brook Eastern Long Island Hospital as key partners, FSL will provide the following at **NO COST**:

- Lend your voice in developing LI Sound Senior Care programming – join the Advisory Committee!
- Assistance accessing and navigating health care and social service systems.
- Help applying and receiving benefits, finding medical providers, and traveling to appointments.
- Opportunities to socialize, learn, volunteer, and be active in your community.
- Transportation to and from social/recreational activities, shopping, and more.

 San Simeon by the Sound and Peconic Landing are excluded as they are pre-existing communities serving seniors.

Long Island Sound Senior Care is the region's newest Naturally Occurring Retirement Communities (NORC) program. Greenport qualifies as a Neighborhood NORC because of its high proportion of individuals over age 60 who have naturally aged in place.

For over 90 years FSL has been helping individuals, children and families to mobilize their strengths and improve the quality of their lives at home, in the workplace and in the community.

FSL serves more than 50,000 people each year across a broad spectrum of programs and services.
