Re: Reminder: Public Access to Town Buildings by Appointment

This is a reminder that effective Wednesday, August 26<sup>th</sup>, Southold Town buildings are open to the public on a “by appointment only” basis with each department. At this time, this does not apply to public meetings of boards or committees, those will continue with the public attending virtually until further notice.

Safety protocols, including the completion of a COVID-19 Screening Questionnaire and the requirement to wear a mask or face covering is mandatory for public who wish to enter the buildings. Further details on the screening process and instructions will be given when you call to make an appointment.
